Did you know? that there is a huge chance that 50% of senior executives and managers from major companies will be retiring in the next five years. At Circle of Change, we plan to become the premiere leadership conference that prepares emerging leaders for these powerful leadership positions. In order to accomplish this task, we have created tons of amazing leadership programs that will enable you to succeed in these high caliber leadership positions that will be available in the next five years.

FEATURED LEADERSHIP SESSIONS AT CIRCLE OF CHANGE
We plan to offer powerful programs for emerging leaders that desire to succeed and make an impact in their community, nation, and world. Listed below are some of the top programs offered at Circle of Change!

Leadership Symposium with 12 Presidents, CEOs, and Executive Directors
In this powerful leadership session, you will have the opportunity to hear from 12 guest panelists that serve as presidents, executive directors, or CEOs of their company or organization, and you will be provided with great insight into what leadership skills are required in order to effectively serve as the leader in the 21st Century.

Leadership Case Study Activity: Real-Life Leadership Challenge
During this amazing leadership session, you will have the opportunity to participate in a real-life situation where you will be able to work with other emerging leaders at the conference in developing a specific and creative solution to a realistic problem within our community, nation, and world. You will also have the opportunity to present a power point presentation highlighting your team’s solution. Each presentation and team member will receive a personalized leadership evaluation from other team members and facilitators during this special activity.

Seasoned Leaders Career Symposium with 40 Different Leaders from Ten Different Professions
During this session, not only will you have the opportunity to network with 40 different leaders from the fields of entertainment, public relations/marketing/event planning, politics/law, education, athletics, religion, engineering, medical/health, higher education, law enforcement, and business, but you will also have the opportunity to learn firsthand from these powerful leaders what it takes to succeed as a high caliber leader in their specific profession!

General Leadership Sessions
Throughout the conference, you will have the opportunity to experience powerful leadership and personal development workshops from amazing facilitators and speakers, and you will also have the opportunity to participate in our highly energized, fun, and interactive general leadership sessions led by a conference DJ and Emcee that will feature two national leadership keynote speakers who will deliver inspiring messages on leadership!
