Summer Internships
Learn and Earn at SCE!
College Summer Internships are available at various locations throughout Southern California.

SCE's College Internship Program is designed to provide students an opportunity to complement their academic knowledge with a real-world work environment. This program provides the opportunity to develop transferable skills, as well as acquaint you with the mission and goals of our company. SCE firmly believes learning and development are an important part of career development.

We have a wealth of opportunities available to fit your specific job interests and career goals. Listed are just some of the majors we have hired into the program.
