INSTRUCTORS WANTED!
COMPETITIVE PAY!

The Education Department of the Level Playing Field Institute (LPFI) is seeking passionate educators, facilitators, mentors and high-energy professionals to join our instructional team at SMASH Academy.

What is SMASH Academy?
The Summer Math and Science Honors (SMASH) Academy, a year-round academic program of LPFI (www.lpfi.org), is a three-year rigorous and innovative education program that prepares talented, underrepresented youth of color to become competitive and successful in science, technology, engineering & math (STEM) at the college level for five weeks each summer beginning in the 9th grade.

Opportunities are available at UC Berkeley, Stanford, USC and UCLA.
