Residential Advisor
Position Description

The University of Southern California, (USC) Upward Bound Program is a college preparatory program that assists 150 eligible high school students in graduating from high school, entering college, and successfully earning their baccalaureate degree. The program is funded by grants from the United States Department of Education.

USC Upward Bound is currently seeking qualified college “Role Models” to live with our high school students as Residential Advisors during the five-week summer residential program in the USC residential halls. This is a unique opportunity for those interested in working with youth upon graduation from college.
