Greetings El Centro Familia!

This year’s 3rd Annual Latino Trojan Family Reunion: A Night of Networking was a great success! With over eighty students and alumni in attendance, El Centro Chicano (ECC) was filled with amazing Latino leaders. Alumna inspired students through their words of advice and encouragement while students admired the achievements of their fellow Trojan Alumna. Students and alumni had the wonderful opportunity of networking with one another while expanding their Trojan familia.

The El Centro staff would like to thank all those who were able to attend this year’s 3rd Annual Latino Trojan Family Reunion (LTFR).

A special thanks goes out to this year’s alumni panelists, Dr. Magdalena Arias-Arenas ’97, Wendy Carrillo ’09, Miguel Espinoza ’07, Luis Genaro Garcia ’04, and Aldo Palma ’07. And a very special thank you to our moderator and USC Alumna, Sylvia Lopez, for taking a night off from KCAL 9 News to be with us! Also thank you to Professor Dr. Felix Gutierrez in School of Annenberg for setting the tone with his talk about the significance of our event and history of Latinos at USC.

We hope you all enjoyed yourselves and can’t wait to see all of you next year! For those who were unable to attend, your presence was missed but we hope we may have the opportunity of see you next year.

As always thank you for the constant support of our students and El Centro Chicano. With your help we raised $3,600, in just one night! The commitment and constant support our alumni display to USC and the Latino community is extraordinary. With your help, our students and ECC center are able to continue breaking barriers and reaching for success. We have bigger goals to come in the future, and hope we can count on you for support! FIGHT ON TROYANOS!

p.s. Special Thanks To Sponsors: LSA, USC Latino Alumni Assoc., LPA, Target, Jarritos, & Kaplan
