Greetings El Centro Familia!

The Fall semester is in full swing for our students and with this first Alumni Newsletter of the semester we have lots of great updates to share with you!

This summer, the ECC Summer Staff was hard at work and with the help of Billy and Leti making some much needed renovations to our space in preparation for the Fall semester. Some of those renovations included lots of new paint, furniture, and redecorating in our entrance, study lounge, bathrooms and lecture hall. We are also happy to report that we finally have air-conditioning in the office and student rooms.

In other news, on August 24th 2011, the unveiling of the new ECC Banner marked the start of the Fall 2011 semester during El Centro’s Open House. The banner will now let students, faculty, staff, alumni, parents, & friends know about the location of El Centro Chicano and everything that it has to offer the Latino community and USC. “Now the banner proudly announces our location to all passersby, and will surely change the way our community is seen here at USC,” said Billy Vela, Director of USC-El Centro Chicano.

Check out the pictures of all the new office updates and the new ECC banner below!

Finally, the ECC website was also given a facelift and we officially launched our USC El Centro Twitter Account. Please follow us @USC_ElCentro.
