Ground Zero Performance Café Technical Rider

Please fill out one rider per act/band.

Please give a brief description of the performance (i.e. is it amplified, # of musicians, what instruments, etc.)

Please detail or attach your input list describing any technical needs; including mics needed (indicate vocal or instrumental), inputs to the system (CD, iPod, Video) to be played, etc.

Please describe the staging of your performance.

Please sketch your stage setup in the space including where tables, chairs, musical instruments, microphones or any other items will be placed on stage (attach an additional sheets if necessary.)
