Annual Student Charges at Caltech and USC
Beyond 2010

*Student Charges include tuition, fees, room and board*

Student charges increase about 5% per year at each institution. At that rate, USC will cost more than 70K per year in 2016. Caltech will reach 70K in 2019.

“The physical being is a manifestation of the emotional energy.”

Mark Manton, MTIC Founder

Now Enrolling for January 2012 Classes

We are currently accepting applications for our January classes, starting the third week of January 2011. We are offering two tracks for this program. One option will meet for a full-day, twice a week — Wednesday and Friday — and completes with the year’s end. The other track occurs twice a week in the evenings — Monday and Wednesday — with an average of three weekend dates per month and completes by March of 2013.

If you’d like to learn more about our school or our program please contact our Admissions Department and sign up for a tour. Also, learn more about our enrollment process and find out why you would consider MTIC.
